

Anti aging facial creams:

Helichrysum cream – “Fountain of youth”

Smooth as silk facial cream is created for dry and mature skin care. Non-refined vegetable oils enrich this cream with natural vitamins A and E, Gama linoleic acid (GLA); while helichrysum essential oil prevents the skin from wrinkles.

Regenerating tamanu cream

The cream helps to reduce the formation of early wrinkles, helps to treat acne and scars, smooth and tighten the skin. Tamanu oil is one of the most effective natural oils which regenerates and treats the skin. It is recommended for normal, combined and oily skin.

Mango cream with Argan oil

Facial Cream is recommended for mature and all types of skin. Organic unrefined oils effectively moisturize, soften and nourish the skin. Argan oil preserves youthfulness of the skin: tightens and brightens the skin, reduces wrinkles. The oil nourishes the skin with polyunsaturated fatty acids, antioxidants and vitamins that prevents premature aging.

Refreshing facial cleanser

Gentle facial cleanser with lovely citrus scent and intense foaming perfectly removes make-up and other skin impurities. Natural oils help to soften and nourish the skin without drying the skin out. In addition, Aloe Vera gel moisturizes the skin, prevents bacteria and shrinks pores; therefore, the cleanser is suitable for both oily and dry skin. Lemongrass essential oil, one of the cleansers components, gives freshness, lightness and increases mood. It is suitable for all skin types.

Matching facial cleansers, mists

(hydrolats):

Helichrysum, corn flower, wild carrot, geranium, rose, St. John's Wort hydrolates are recommended to intensify anti ageing treatment.
